Boobs – you've got to love them, haven't you? Whether they're fantastically proportioned funbags like those sported by the likes of Yurizan, Shay and Anita, whether they're sensibly sized ones like Nina's and Sophia's, or whether they're pert little lovelies like Natalie's and Lucky's, we can't get enough! We reckon we've covered all the fronts as far as chestage goes this month, so you're bound to find a pair or three to tickle your fancy, while fans of blondes and brunettes should be well served as well. But who's your out and out favourite? We know who we like, but there's only one way we can know what's on your mind, and that's if you drop us a line. We're the listening wank bank, after all...

Then this is the place to do it! Come on,
Michelle's gagging for it!

Dear Michelle,

Having written to you a little while ago, I said I'd write again next time I saw one of your models that made my eyes pop out of my head and my cock explode without wanking! Well here she is... Spencer (vol.77 No.09). She

Sophia

Photos: Exposurezone

Well it's been over a year and a half since we last crossed (pork) swords with the delectable Sophia Knight, which seems a bit remiss given that she's quite possibly the tastiest thing to hail from north of the border since the deep fried Mars Bar! Still, it didn't take long for her to get right back into the swing of things when we got her in for this shoot – poking her bits and bobs out for the camera like there was no tomorrow as we merrily snapped away! So how's life been for Miss Knight since we last ran into her? "Crazy! I've been to America a couple of times, and shot with some of the finest photographers there are going. They really know how to treat a girl over there, that's for sure!"

Hmm, a combination of Sophia and some of those top US snappers sounds too good to miss – we'd better knuckle down and see what we can find to feature in *Men Only* in the coming months...

ULTIMATE UNDER BED RESTRAINT
Bondara.co.uk
£19.99

As anyone with any kind of relationship with reality can't help having noticed, practically every woman on the planet, not to mention her mum and her gran, has been furtively (or even brazenly on the bus and train!) reading the *50 Shades* trilogy, making the EL James the most widely read author in the history of everything. Result? Well, apart from one formerly unheard of scribbler suddenly becoming richer than Croesus, it also means that half the world's population has developed something of an interest in BDSM. And that begs the question what are the rest of us going to do about it. It's all very well harrumphing about what terrible books they clearly are, but hey – if your other half's feeling a bit kinky all of a sudden, then why not indulge her – or at least tie her up for a bit and see how much she really likes it? The thing is, though, if you want to get into this sort of thing you're going to need a bit of kit – and we reckon these under bed restraints represent the perfect place to start. They're adjustable, so will fit pretty well any bed, and their nice velcro finish won't leave your beloved with any nasty marks or anything as she writhes uncontrollably – whether it be in the throes of passion or as she attempts to escape while you spend the evening down the boozier...

were clearly drunk, dancing wildly with each other, placing their hands on each other's hips and grinding their bodies together and giggling. Surprisingly, few people seemed to be paying attention to them and I put it down to the fact that I was a little naïve about these things. However, I was definitely fascinated with the way they were pawing at each other, and edged across until I was stood right behind them. I must have been really obvious, as the taller girl pushed her friend back slightly towards me.

As they continued to rub up against each other, my crotch was lightly rubbing against the arse of the girl facing towards the stage. She suddenly reached back with both arms, and drunkenly fumbled for my hands. On finding them, she brought them round her waist and lay her head back against my chest, whilst her friend came closer until she was sandwiched between us. Still vaguely dancing, we must have looked pretty tacky, as we were all pissed and were shamelessly groping each other.

I can barely remember how we got from the dance-floor to outside the student union building, but was slightly brought to my senses by the crisp night air. I was holding the hand of the smaller girl who led me to a concrete alcove at the back of the building, which provided some cover from peering eyes. Her tongue was down my throat in a flash, and whilst she was too hammered to be a great kisser, she more than made up for it in enthusiasm! I felt like a teenager again as I put my hands up her top and groped for her tits. Underneath her baggy clothes she had a fit little body, and her breasts were pert with her nipples already erect. I lifted her bra up and over them, ready to get them in my mouth, but was beaten to them by her friend, who had cupped her chest from behind. Dying to get my tongue over her little tits, I craned my neck down and her friend obliged by pushing them up into my mouth. As I bit them gently, she moaned and panted in my ear, whilst her friend was still giggling mischievously and beginning to undo the

button-fly on her jeans.

She had trimmed her pussy, and her soft tummy was trembling against my wrist, as I hooked my index finger into her cunt. It was a frenzy of hands, as her own petite

hands reached inside my jeans for my cock, which was aching with anticipation! Meanwhile her friend was dragging her jeans down over her slim hips, past her knees, allowing me to get another finger inside her. Her little hand was gripping my shaft hard, and she was wanking it like her life depended on it. Her friend, meanwhile, had stepped back slightly, and despite the cold was taking off her own jeans.

Once she was stood there in only her knickers, she reached round and took my dick from the hand of her petite friend, and manoeuvred her own body in front of me. My fingers reluctantly slipped from the pussy they had been in, but were inside another in seconds. Being tall, she then lifted her right thigh up around

in my penis hard, as she began to bounce rhythmically on my cock and I grabbed fistfuls of fleshy bumcheek. She was now having her own tits massaged and her nipples tweaked from behind. Banging away for a good few minutes, I could feel it was too much for her, and she sunk all her weight down over my erection as she began to orgasm heavily.

Removing my prick from her as she fell against the wall, I could briefly see it glistening with her juices, before it was taken in the cute mouth of her friend who had been urging me to, "Fuck her brains out", a second previously. She knew I was ready to come and deep-throated me immediately. As a wad of spunk shot down her throat, she pulled my dick from inside her mouth and opened wide, so I could see it spray all over her tongue and lips. The delight on my face was obvious as she licked and sucked me clean of spunk, whilst her friend was giggling once more.

Once we had re-adjusted ourselves, we went back in and

There's no getting away from it – what summer there was this year is well and truly behind us, and all that remains is a few hardy leaves clinging onto their trees and a selection of happy memories of days out in the sun snatched between the showers. Days out like this one, in fact, during which we were introduced to the not inconsiderable charms of Jana Jordan. She's a no-nonsense sort of girl and that's for sure, with none of the coyness that can sometimes get in the way when you're asking a new girl to take her kit off for you. With Jana it was a struggle to take a few pictures of her before she'd wriggled out of everything – and then she went and fetched over a glass dildo she'd brought with her! We're all for people enjoying themselves at work and all that, but sometimes you can't help wondering if some people don't take it too far!

Has your girl been getting up to anything naughty lately? If so, why not get her to write in to us – and if it's raunchy enough to use in Miss Behaviour she'll earn herself a credit crunch busting £50!

Send your letters to Miss Behaviour, Men Only, PRP, 37 Pear Tree Street, London, EC1V 3AG or email them to menonly@paulraymond.com. Come on – what are you waiting for?!

There's a Gail warning in store for Gemma this month...

After breaking up with my boyfriend I decided to make a new start and moved to another town where I got a job as a barmaid in a lovely old world pub and guest house. I loved it from the beginning, as the landlady, Gail, not only paid generously but was easy to work for.

Being new, I kept my head down for the first few days, but as the week went on I found myself striking up a friendship with Gail. We worked hard over the weekend but by Sunday closing things has cooled down and once we had tidied away the last of the glasses Gail invited me to have a drink with her.

We sat at the bar and clinked our glasses, toasting my first week's work, and a couple of drinks later we were beginning to get a little drunk. She was a new friend, but I already felt a strong connection with her.

Gail was beautiful and even though I wasn't usually attracted to women, I definitely was attracted to her. She had long dark hair, grey eyes and a beautiful smile. Her body was amazing. She was tall, toned yet curvy, and had gorgeous large breasts. I envied them a little as mine are not full as hers but I have an hourglass figure which makes me look sexy, and I suspected she just might be as attracted to me as I was to her.

It was getting late, and, saying she was worried I'd had too much to drink, Gail offered me a bed for the night. When she showed me the bed and I realised it was hers, it became plain that she was hoping share it with me. I was not too surprised as we had been holding hands for the past half an hour and the feel of her soft skin and her feminine scent was beginning to make me feel dizzy with excitement. I wanted to touch her and kiss her. I had to shake my head to clear the wild imaginings stirred up by her offer just long enough to thank her.

Rummaging through her drawers she looked for something for me to wear, and soon pulled out a slinky black nightie. As she began to undress, I started to do likewise, but did not get very far as I could not stop watching her. As she stripped naked her gorgeous olive skin glowed

"I laid my cheek against her perfectly rounded tits as she gently pulled at my nipples."

WorldMags.net

in the lamplight and her large nipples stiffened. Watching her excited me, and when Gail noticed me looking her over she came over to help me undress.

My body tingled where she touched me and I tentatively reached for her, the feeling of her soft warm skin making me quiver with excitement. I laid my cheek against her perfectly rounded tits as she gently pulled at my nipples. Beautiful sensations of arousal tingled through my body at her touch. My legs felt weak at the knees and my pussy throbbed with need.

We lay down on her bed and she rolled me onto my back and straddled me. She kissed me softly on my lips, then made me moan in

ecstasy as she licked her way down my body toward my pussy. Parting my legs, Gail spread my labia and began to lick my soaking wet slit. I grasped the bedclothes, twisting them in my fists as she sucked hard on my clit, pushing me close to orgasm. As my pussy began to spasm, and still tonguing me, Gail reached in under her pillow and pulled out a large rubbery dildo with ridges along the shaft.

Raising her head from my neatly trimmed little bush she licked the top of the dildo, lubricating it before sliding it slowly inside me. Moving it in and out of my pussy while continuing to suck on my clit she carried me over the edge, swirling her tongue across my clit until I climaxed again in a series of ecstatic wails. It was only when I had come down from the tremendous high of my orgasm that she rolled off me and lay beside

me, smiling.

Snuggling into me, her lips parted and met mine, kissing me sweetly. Her tongue felt so different from a man's, thinner and more delicate, and I savoured the way it played with mine as we French kissed. I could taste my own juices in our kiss and this made me feel very sexy indeed, so I turned to her and began playing with her tits, sucking on her nipples before moving down to her beautiful shaved pussy. I was intrigued and very turned-on by the fact that she had removed every hair from that area and I longed to lick and kiss her there.

Kissing her naked slit I licked along its length, pushing my tongue between her silky pink labia and tasting her sweet inner core. As I teased her pink pussy lips her clit stood erect, like a dark pink rose bud. Curling my tongue around it, I lapped at her clit making her love juices flow. Scooping them up, I once again ran my tongue along the length of her labia and then pushed it inside her and began tongue-fucking her hot wet hole as hard as I could.

Gail's breathing became ragged as her climax began to build, and as I enjoyed the sweet taste of her juices I pinched her clit, making her pussy go into spasm. As she came, her pussy clenched around my tongue.

The erotic blast of having made her climax sent me over the top as well. My pussy tightened, tingling and convulsing as I came along with Gail. I flicked my tongue inside her and back up to her clit, swirling it over her pulsing little nub while she ground it against my face. I could feel my pussy dripping I was so turned on by the taste and the feel of her, and once she had come, I lay back smiling contentedly as she ran her fingers lightly over my skin.

"Parting my legs, Gail spread my labia and began to lick my soaking slit..."

Home-grown hornpot Nina's had us all a-tremble ever since she made her *Men Only* debut earlier this year, and we've been champing at the bit to get her back ever since we last feasted our eyes on her delectable curves. Thankfully, she's not the sort of girl to let her fans down, and as soon as a window in her diary opened up she was on the blower to let us know she was available for another shoot. Well, having glimpsed just how magnificent her curvy arse was last time, we were determined to give you a proper look at it this time round, and she was more than happy to oblige...

"Yes, I've noticed that a lot, recently – guys seem to like looking at my bum," she mused as we asked her to turn around to give us a proper view of her glutes. "I'm starting to wonder if there isn't something wrong with the front of me, the way they go on about my arse..."

Well, we were very quick to put her right on that score – her front's absolutely perfect! It's just that, well, when a girl's got a jacksie as magnificent as this one, it's hard not to linger over it once in a while...

A woman with long dark hair is posing in a room with mosaic tile walls. She is wearing floral-patterned underwear and teal high-heeled shoes. She is looking directly at the camera with a slight smile. Her hands are near her chest, and she is wearing a large ring. The background shows a tiled wall and a dark doorway.

Readers of our sister title *Mayfair* have been pretty keen on Yurizan Beltran for some little time now, so we thought we'd grab a set of her for ourselves and treat you lot to an eyeful of what she's got to offer. Not bad, eh?! Those are the sort of boobs that could break a guy's heart, and the rest of her matches up rather nicely as well! So are guys as fixated on her knockers as we suspect they are?

"Well, there aren't many guys I've been out with who didn't seem to enjoy them, that's for sure!" she giggled. "In fact I've known quite a few blokes who've actually preferred fucking them to fucking my pussy, which is a bit weird if you ask me!"

Well, to be honestly we'd be pretty happy with both those options – although spending the night switching between the two might be a nice compromise....?

"Sex is... well, it's just cocks

Interview Angel Dark

Before becoming a porn actress Angel Dark worked as a waitress and, by all accounts, lived a rather boring life. In 2002, a porn make-up artist came up to her and asked her if she would be interested in doing some modelling. After having gone in for what Angel thought would be high-fashion lingerie photo shoot, she soon discovered that the work would include a hard cock and a facial cumshot. After her initial shock, she decided she liked it enough to do it again, and signed up for more work, often for Private's Pierre Woodman. After a short break in 2006, she returned full force and branched out into the American porn industry, and she hasn't looked back...

You are a veteran porn performer yet most people know very little about you.

That is true; I guess I have been paying more attention to being in front of the camera instead of promoting myself. I'm also not nearly as outgoing in my personal life; actually, I'm quite shy.

Given how loud you are on film, we find that very hard to believe!

It's true though. At home, I'm just quiet and reserved Viktoria, but naked in front of the camera I take on a whole different personality. Angel is the wild one, the cock hungry slut who has multiple partners and multiple orgasms. It's a good thing I get to be Angel a few times a week, or my life would be very boring!

What kind of sex scenes do you like the most?

I've been doing this for several years now, and I started with the hardest of hardcore from the get-go, so I have tried everything and my preferences have changed a few times. Right now, I'm into threesomes, but I also enjoy showing up on set not knowing who I will be fucking that day. I like to be surprised!

What kind of teenager were you growing up back home?

I was a very independent teen. I finished high school, held down a job in a restaurant, paid my own bills and took care of all my own expenses ever since I moved out. I have really always been that way and I still am.

"I come very hard from anal sex, sometimes a lot harder than from having a cock in my pussy..."

Did you have many lovers?

Yes, both male and female fuck buddies, but no real boyfriends. I tend to lose interest very quickly.

Would you mind sharing what some of your hobbies and interest are?

Well, I like to go running. It's something that I like to do to clear my head and just get away for a bit. I also like to sew, it's really relaxing for me. Another relaxing thing is cooking; I love to make a home cooked meal instead of going out to eat. I just feel great cooking for friends and lovers.

What is your favourite thing about being an adult performer?

The most fun is being able to go and see new places. Being able to go to LA and work, I don't think I would have ever just made a trip out there for myself but now that I have, I love it. I also really like making appearances at porn conventions all over the world, so that I can see more places and meet new people.

Your anal scenes are exciting and very hot. Had you done anal in your private life before these scenes?**Do you enjoy anal sex as a whole?**

I had done a lot of anal in my private life. I love it, and I wouldn't do anything for a scene if I didn't like doing it in my personal life. I also love the way DP's looks on camera, and it feels wonderful. I come very hard from anal sex, sometimes a lot harder than from having a cock in my pussy.

What trick would you recommend to our readers if their girlfriends don't want to try anal sex?

I think all girls are curious about it, but they are just afraid it will hurt. So just assure your girlfriend that you will use a lot of lube and promise to stop if she says so. If she still resists, offer her a really expensive present if she manages to take it all in. Ha-ha!

Your orgasm sounds are quite unique.

Yes, I can't hold back when I come. I go crazy!

That's sexy. I don't really care about looks.

What traits of a man do you admire most?

Some of the same things. I like confidence in a man, but not someone who is a show off. I like guys to be gentlemen and well grounded. It's nice when a guy listens to what you have to say. I fancy guys that can make me laugh once in while.

What makes you want to have sex with a man?

He has to smell good (*Damn! - Ed.*), but not like he covered himself in cheap cologne. I like a man who wears nice clothes and treats a woman like a lady. Guys that remember how to open a door, who are cordial by nature get high marks on my sexy list. That's why I'm really fond of the American guys, they are very polite. But, unfortunately, they are not as uninhibited in bed as the euro guys. when you are a porn actress you get used to good sex. So, average sex is not an option!

In all your scenes you have great sexual chemistry with both men and women. What traits do you admire most?

Well, I don't like feel like I have better sexual chemistry with one sex than another. Sex is... well, it's just cocks and pussies; something that feels great. I think that people who are just more in tune with their own sexuality have better sex and it is portrayed really well to others.

What makes a woman sexy?

I'm into women

who pay attention to details like nails, hair, lingerie and who are willing to make sensual passes at me.

Does size matter to you?

No, but it's very important that he can keep his cock hard. It's a turn-off when a guy can't get it up because he is too tired or too drunk. But, it rarely happens. And if that happens I suppose I can always suck him hard!

Do you have a boyfriend right now?

No, and to tell you the truth I have never really wanted a steady boyfriend; I prefer random hook-ups and to concentrate on my job without having to deal with some jealous boyfriend at home. But maybe I will feel differently when I'm a bit older.

What would be your dream scene?

Well I have a lot of those! One I'd like to do is a line of guys coming to my hotel room, one after the other, each with only five minutes to ravage me and come. Nothing posed; just animalistic, sensual, self-centred fucking on his part. Maybe I'm a little twisted, but I really enjoy being used and pleasing men. Perhaps with another woman in the mix as well just to make sure that at the end of it we make one another come.

In what other ways has being a porn performer changed your life?

In the US, no one recognizes me, but I like the attention I get when I'm in Europe. If you are a porn actress in Slovakia, you really are a celebrity and nobody looks down on you for it. I like when guys notice me in the store, or ask me for an autograph. I like all the stuff about it that bores other porn stars to tears or that others get tired of.

Finally, what would you do if you weren't doing porn?

Frankly, there is nothing else I want to do. I hope I never have to stop!

Lucky

A close-up photograph of a woman lying in a swimming pool. Her head is tilted back, eyes closed, and her mouth is slightly open. Her hands, with bright red nail polish, are resting on her pubic area. The water is clear, and the background is blurred, suggesting an outdoor pool setting.

Filly panties, stockings and suspenders
- we're all for them here at *Men Only*!
Sometimes, though, a girl comes along
who really doesn't require any sort of
adornment whatsoever, and the aptly
named Lucky here is very clearly
one of those girls. A simple white
bikini is all it takes and... woosh,
we're transported to a paradise of
carnal delights as we gaze at her
spectacular bod, trying desperately
to retain some sort of control as
she fingers her juiced-up snatch
just feet away from us! Horny
girl, sunny day, swimming pool
- it's a winning combination
whichever way you look at
it, and if the horny girl's
anything like Lucky, we can
guarantee you'll be looking
at it long and hard!

TWILIGHT EROGENOUS ZONES

Everyone knows about nipples, earlobes and bums, but there are plenty more erogenous zones out there – if only you know where to look for them! For centuries the location of these jealously guarded – and top secret – zones were the provenance of alchemists and the kings they served, and all things considered it was probably just as well. But now, for the first time in popular print, we've decided to blow the lid off the lot. And they say a little knowledge is a dangerous thing...

Ticking The Medulla Oblongata and The "Phwoar" Effect

Not to be confused with the Henley Royal Regatta, the Medulla Oblongata is the part of the brain just above the back of your throat which, automatically regulates unconscious activities such as breathing and coughing.

Access to this part of the body is difficult but exceptionally rewarding for loving couples in a stable relationship, as stimulation of the Royal Regatta invariably results in "The Phwoar Effect".

So how does it work? Traditionally, a heated knitting needle is inserted into the back of the head an inch above the occipital bone (best to consult your G.P. first, incidentally) to a depth of approximately four inches.

The effect should be instantaneous, causing males to flail their limbs and splash freely and females to experience multitudinous orgasms which can last anywhere from between five to fourteen days – one of the few acknowledged adverse side-effects being that no housework gets done for a fortnight. Quite frequently, however, sexual climax in either gender is prevented by instant death.

Even so, defenders of this naughty but reportedly nice procedure stress its similarity to trepanning, which mediaeval barber surgeons, Victorian butchers, modern day nutters and people who have already bored holes in their heads will tell you, most usually

with their eyes rolling round in their sockets, is a perfectly safe and wonderfully freeing exercise which allows the mind to breathe.

almost insensitive by the widespread wearing of court shoes, high heels and wellies.

Why Kneeling's So Appealing

There is no proper name for the back of the knee. This is because this area is strictly taboo, an erogenous zone classified 'Top Secret: Level 5 Clearance: Your Eyes Only' centuries ago by the alchemists and all the rest of it, and for generations its mystical properties for making folk come off

Pork Sword-Dancing and The Naughty Instep

Long before the Roman conquest, the Celts knew that the male penis can be aroused by some young thing in a short kilt dancing on it. Indeed, researchers believe records of this practice are the first historical references to lap-dancing.

Yet, however pleasurable the trampling element was for the man and his member, it was actually the women who obtained the more intense gratification from these jigs, since the tubular shape of the hardened shaft on which they pranced periodically stimulated what is called The Naughty Instep, an obscure erogenous groove in the side of the foot. Sadly this erotic indentation has nowadays has been rubbed away and rendered

unexpectedly and hard have passed unnoticed. How precisely this works is anyone's guess, since many of the *OLDE BOOKES OF WORLDLIE WISDOME* have been destroyed, but the insertion of the penis into the nameless nook of a squatting woman's bent leg to form a crude cock sandwich and a burst of rapid titty-fuck style thrusting seems the most likely path to nookie Nirvana. Give it a try and see what you reckon.

Don's Spare The Lashes

Of all the secret erogenous zones of the human body, it is, surprisingly, the eyelashes which are by the most erotically charged. Unfortunately stimulation requires heating them to extreme temperatures (the alchemists' tomes speak of Gas Mark 5).

For maximum excitement the lids may be gently massaged, or not. But a word of caution. Abusing oneself with your unprotected eyes only inches from a blowtorch flame may be hazardous: hence the old wives' tales about masturbation resulting in untimely blindness.

The delicious Shay Laren's been a firm favourite around the *Men Only* office ever since she debuted four or five years back (well, not so much a firm favourite as a beautifully soft and squishy favourite), so we're always thrilled whenever we managed to get her back in the magazine so we can cop a load of her fantastic norks! In fact we couldn't help wondering how she ever manages to leave them alone – if we possessed a pair of tits like that we'd be playing with them all day long!

"Well, I do play with them sometimes!" she confessed, "although usually for no more than 20 minutes or so. After all, I can't spend my whole life rolling around on a bed playing with my boobs, can I?"

We guess not, although we could certainly think of worse ways to spend an entire lifetime!

Got a filthy adventure you'd like to relate? If so, why not drop us a line at Men Only, Paul Raymond Publications, 37 Pear Tree Street, London, EC1V 3AG (or email menonly@paulraymond.com)?

GAY DREAM RELIEVER

Not being the most confident about my figure, I've always envied and have been fascinated with how some girls don't seem to care if they have a little un-toned tummy showing, muffin-tops or jeans pulled tight over their ample backsides. For me, sexuality is about confidence and those people who don't care turn me on, whether they are men or women!

In fact I've found myself increasingly attracted to females and (although I know it sounds a little perverted!) look forward to going shopping more than ever these days, so I can spend a little time in the communal changing rooms. Just watching girls smooth down a new skirt over their hips, or hitch up their bra to adjust their tits in a halter-neck creates a feeling of excitement in the pit of my stomach. A few times I have been

"I poked her twat and teased her tight little bumhole with the tip of my tongue."

caught staring, as a girl saunters past in just a bra and jeans, and have been on the receiving end of a defensive scowl or two. Nonetheless, this hasn't put me off, and the other week I surprised myself by taking things a whole lot further than I ever thought I would.

This particular changing room had curtained booths circling a communal mirrored changing area, and when I entered, a relatively buxom girl was squeezing herself into a ribbed corset, to go with a pair of tight leather trousers. The straps of her bra were straining with the size of her breasts, until she pushed them against herself, as her friend pulled the corset around her. She was nothing special, but was pouting and smouldering into the mirror, as her friend tied her in, pushing her cleavage higher as she did this.

I found myself getting highly aroused, and this sensation was soon heightened when she removed the leather trousers, and stood there shamelessly in just a pair of little, tight knickers and the corset. It was almost too much to bear as she stood casually with her hands on hips, discussing what would look 'sexy', with her equally brazen companion.

I was so obviously fixated with the sight before me that I retreated behind the curtain

of the cubicle I had dumped my clothes in, before I was spotted. Despite the girls being out of sight, my imagination was now running wild. As my breath quickened, I thought of strapping her in the corset myself as her friend watched us. As I pulled the laced ribbon, I would kiss the back of her

"My finger was now penetrating my own pussy and I was becoming increasingly excited."

neck gently and grind my pelvis against her soft arse. Closing my eyes and picturing the scene, I instinctively pivoted my own arse into the back wall of the cubicle and reached into my panties. Running my fingers teasingly through my own pussy mound, I fantasised about pulling the back of her knickers down and taking a handful of fleshy bum. I would then reach further round to find her moist slit and hook my middle finger inside her...

My finger was now penetrating my own pussy and I was becoming increasingly excited and less inhibited about my surroundings, letting out a few noises and not feeling in the least bit guilty. The thought of then bending her over came next, allowing me to get my salivating tongue into both holes. She would be kissing her friend as I poked her twat and teased her tight little bumhole with the tip of my tongue, causing her sphincter to clench under my mouth.

"Oh... yes, fuck me you little bitch!" I could hear her say as her friend came behind me and strapped me into a thick fake dick, as she had done the corset before. Snapping back to reality for a second, I could feel the sweat dripping down my back and making my bum sliding against the painted back wall, but I just continued to circle my middle three fingers rhythmically and roughly against my swollen clit. In my head, I was now holding her mane of hair in one hand as I bucked her sopping hole, all the time her asking me to go deeper. My own tits cradled

from behind by her friend, as she breathed heavily into my ear, urging me to "make her come".

Within the changing room, I began to thrust forwards against my own hand, unaware of the noise I was obviously making, whilst in my thoughts my own juicy fanny was now deep over her friend's fingers as I dutifully fucked away harder and harder, spreading the bum cheeks below me to get in as deep as I could.

"I'm going to come all over your dick. Spank my fucking arse, now!" she screamed. The image became overwhelming, as I imagined her slick, glistening juices covering the shaft of the strap-on, as I too came over

the fingers inside me, shuddering uncontrollably while still thrusting in and out of her dripping pussy with my cock.

Meanwhile, I could feel my real orgasm taking hold, and let out some short, barely suppressed yelps from behind the curtain as I bucked with pleasure. I felt my muscles tighten, my body shudder and my climax wash over me in glorious waves. My pussy and the wall were both soaking with

"I imagined her slick, glistening juices covering the shaft of the strap-on..."

my come and perspiration. Sliding down the wall and slumping onto the floor, my thighs were hot and wet, as a satisfying warmth ran through my body and my engorged clit throbbed.

It took me more than a few minutes to get myself together and composed, and by the time I had appeared from behind the curtain, the two girls had gone. Who knows whether anyone heard me getting my kicks, or if the girls were aware of what I was doing in there? I almost wish they had caught me and joined in, but maybe a changing room isn't the right place to fulfil my fantasies! Still, it was definitely something I personally won't forget soon, and has me reaching for my throbbing pussy again every single time I think of it!

Beth, Dalston.

ALMOST A VIRGIN

When volunteers were requested to help clear-out the old store room at work I made sure that I was at the back of the line. Unfortunately, so was everyone else. Our names went into a hat of sorts and mine was the name drawn to supervise. Had I known who I was going to oversee, I may have been less down-hearted, despite the weather forecast for a Saturday of blue skies and sunshine proving to be accurate. The two apprentices had been rather keen to step forward – mostly because they would be getting paid time-and-a-half for their labour. So it was I ended-up spending Saturday with Louise and Carly rather than heading down to the local beer garden.

Although the girls were enthusiastic about the money, they were less thrilled about the actual work. They didn't suit manual labouring – especially precious little Louise, a blonde busty piece with long false nails which she wanted to preserve for her Saturday night out on the tiles. Carly was a more useful sort with her athletic frame – when she finally arrived. I knew that I should have given her a rollicking but she seemed genuinely sorry and it was hard to be angry given that her tiny cut-off jeans were showing off her gorgeous legs to absolute perfection.

Without air-conditioning and the sun blazing through the skylight, it soon became very sweaty work. I was being affected more than the girls since I was lumping the larger, heavier items around – plus everywhere I looked, I seemed to find myself gazing at either Carly's legs or Louise's cleavage, which was threatening to burst forth from her little vest top at any moment. I hadn't been exposed to totty like that in years. So as the temperature continued to climb, the hottest place of all was probably my crotch. To an unexpected chorus of wolf-whistles, I took off my scruffy shirt.

"Her tits were barely concealed by the cups of her bra, and I could see her flesh heaving."

"Very nice," Louise exclaimed. "It's not often a girl gets to see a nice bod." I hadn't

I worried for a moment that she was referring to the contents of my shorts, rather than the abdominal muscles under her fingers. Perhaps she was – there was no hiding from the tent pole effect that my fully-inflated cock was having.

"We were told that you were in charge," Louise said, as her hand rose up to feel my pecs.

"Yes – that's right. They said for us to do anything you told us to do," Carly added.

"Is there anything you'd like us to... do?" Louise asked, in a startlingly provocative

"My middle finger ran along her faint groove and then found the opening and pushed inside."

manner. 19-year old girls weren't like that in my day. She was standing with a hand on her hip, her breasts jutting-out towards me.

"Would you like to take your top off?" I asked, wondering about the penalties for sexually inappropriate behaviour at work.

"Are you asking me or telling me?"

I looked at Louise, barely believing what I was about to say. "Take your top off." She immediately wrenched the top over her head and slipped back into the same pose,

been expecting a positive reaction to my high-mileage, 30-something body. She moved in closer and asked if she could touch me. We both knew that it would have been totally inappropriate for me to have asked the same of her. With slightly more reservation, Carly sidled-up and copped a feel as well. It was arousing to feel their hands on my stomach, especially as they dropped lower. "Hmmm. You're very hard."

the top now dangling from her fingertips. Her tits were barely concealed by the pretty cups of her bra and I could see her flesh heaving, the contours shifting with each breath. "Yours too," I said, turning to Carly. Her top came away more reluctantly, perhaps because she felt that her smaller bosom was unable to compete with the contents Louise's overflowing cups. More likely, it transpired, was the fact that she was naked underneath. As she stood

there in her little cut-off shorts, I found that I preferred Carly's innocent, slender curves to the more obvious attractions of Louise's Page 3 figure. Even as Louise unclasped her bra to reveal her truly magnificent breasts, I found my attention focusing on the demure figure of Carly.

"If I show you my pussy, will you show me your cock?" Carly asked. Perhaps 'demure' had been the wrong word. Not even in my wildest fantasies would I have imagined that question coming from Carly's lips. I unclasped my belt and Carly pulled the top of her shorts apart to reveal a pair of white panties covered with coloured hearts. Louise was forgotten as I pulled my boxers down to expose my throbbing erection as Carly stood having slid her panties down to her ankles. The triangle of exposed flesh between her thighs was completely denuded. The distance between us evaporated and she was smiling up at me with her hand wrapped around my cock as I returned the favour by dropping my hand down between her legs. She was so smooth that I could barely make-out her slit. My middle finger ran along her faint groove and then found her opening and pushed inside. Carly yelped at the sudden intrusion.

"She didn't say a word as I touched my cock against her wet slit and eased it inside."

"Please be gentle with me – I'm almost a virgin," she whispered. I didn't know what that actually meant but my excitement levels jumped almost to the point of orgasm. A newly-naked Louise appeared at my side and even the blonde tufts of pubic hair did little to distract me from Carly. I guided Carly to a table and she shuffled into place and spread her legs. Her bare pussy looked desperately inviting and she didn't say a word as I stepped forward, touched my cock against her wet slit and eased it inside. Carly gave me no encouragement but neither did she ask me to stop. She was looking down, just watching as my cock disappeared inside her hot, wet snatch. When she did finally look up, her eyes were sparkling and she gave me a little smile.

That was all the encouragement I needed. I wondered whether it was the first time she'd had a cock fully inside her, whether that was why she'd been so fascinated to see mine fully inserted. Did she consider that penetration as having taken her cherry? As I pushed in again, Carly gave a little

sigh of pleasure. I joined the sexual noises by grunting as I pushed in more confidently. I'd never felt anything so amazing; her pussy was a soft, velvety vice squeezing on my cock from all directions. As if the sensations weren't enough, I watched as Carly reached-out and started to rub Louise's crotch. Louise looked shocked at first but there was no mistaking the slurpy sounds of an eager pussy as Carly's fingers moved more and more quickly. I was already at the point of coming and resigned myself to an early bath – I'd probably blow my load now if I just stood back and watched. I managed to hold off for about 30 seconds before withdrawing and spurning the contents of my nuts up Carly's body. It was a serious spunking and I was pleased with the effect.

Louise moved round and started lapping at my deposits on Carly's stomach. Her mouth slurped down further and further until Carly gasped. Louise was licking Carly's pussy. Miraculously, my cock sprang back to attention. Looking for somewhere to stick it, I moved round behind Louise and ogled her peachy bum. Feeling brave, I guided

"Hey pussy was a soft, velvety vice squeezing on my cock from all directions."

my cock between Louise's legs and found her sopping hole and pushed inside. She didn't try to escape; she didn't even break away from Carly's pussy but instead

pushed back against my thrusts. I drove into Louise with great enthusiasm, determined to take full advantage of my unexpected chance to bone both girls. After the teasing tightness of Carly's semi-virginity, it was good to take advantage of Louise's greater experience by having a good hard fuck. Although the feel of Louise's nails on my scrotum as she diddled her clit held me back, I was soon ready to blow my second load of the day and made a point of shooting my suds directly into the crease of Louise's wonderful little bum. A sight I'll remember for the rest of my days!

None of us felt like doing much after that, so we re-arranged all the piles to make it look like we'd done a lot more than we had, bought some beers and enjoyed a lazy afternoon in the sunshine. Unfortunately, we did such a good job of faking our progress that we were officially tasked with sorting-out the store room – during work hours. Fortunately for me, both girls were still happy to make themselves available any time I needed them – and not just for tidying duties either!

Jason, Wolverhampton.

Classy period crime drama, Indonesian-based martial arts lunacy and large-boobed ladies getting eaten. Yep, it looks like our diversity policy is working a treat!

BOARDWALK EMPIRE 1 & 2

Warner Home Video

9/10

Sadly a lot of the better transatlantic series are getting their UK airings on subscription channels these days, which means that if you don't happen to have the means or the inclination to fork out on Sky Atlantic, you'll have had bugger all chance of catching this, one of HBO's most highly rated shows of recent years. And given its pedigree, with the pilot episode directed by Martin Scorsese and a writing team that features huge slices of talent from the original HBO blockbuster *The Sopranos*, it's little wonder that the critical plaudits and Emmy nominations have been rolling in. There have been a couple of series so far, and thanks to this 10 disc set, you can know

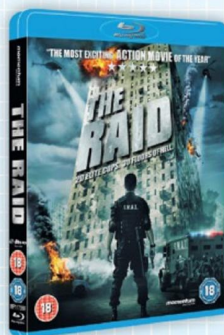

catch up with the whole lot in one fell swoop...

Set in New Jersey and following the lives of various underworld characters – just like *The Sopranos*, in fact – *Boardwalk Empire* differs in the major fact that it's Prohibition era New Jersey we're looking at, with organised crime just starting to get a hold on local politics and ingraining itself deep into society. Steve Buscemi stars as Enoch 'Nucky' Thompson, a corrupt city treasure who augments his income with all sorts of shady deals, and he revels in the role. All too often Buscemi's been a bit of a sideman, and having been given the lead here he really runs with it. There are far too many twists and turns in the plot to go into here, but if you loved *The Sopranos* and *Deadwood*, you'll find plenty to love about this one.

We're all for supporting British directorial talent – even if Welsh-born director Gareth Evans is Indonesia-based and makes films that are about as far away from your typical Brit flick as it's possible to get! He'd already got quite a few actioners under his belt before he unveiled this one to the world last year, and it went down a bit of a storm!

The set-up's pretty basic – a tower block in Jakarta has been taken over by crims and is more or less unassailable. Well, cue Joe Taslim's Sergeant Jaka and his SWAT team, who are detailed to take the place. Sounds like a bit of a suicide mission to us, frankly, but then hey – cops in films seem to care a bit less about getting blown away than cops in real life! What follows is a stunningly choreographed action flick that'll leave you breathless as it whizzes headlong to its frenzied climax.

THE RAID

Momentum Pictures

8/10

Thanks to CGI, monster flicks that used to take years and cost millions to make seem to be popping up every other week, and if it isn't daft monsters like a sharktopus or a weaselligator or something wreaking the havoc then you can always count on genuine critters like piranhas! *Piranha 3D* was a shlocky piece of camp that saw a lot of nubile youngsters getting nibbled on by a load a sharp-toothed fish, and this silicone-boosted follow up is even brasher and dafter. Christopher Lloyd is back as the loopy-eyed fish expert, while to add to the sense of fun David Hasselhoff also pitches up as a lifeguard at The Big Wet Water Park, where big-titted funsters have their jollies interrupted by a shoal of you-know-whats. Bergman-esque it ain't, but there's a place and a time for this kind of flick – i.e. on the sofa after the pub's closed!

Games Reviews

Whether you're into slaying dragons or pilots in the service of the Imperial Japanese Air Force, you're in luck this month!

ELDER SCROLLS V: SKYRIM

Bethesda – X360, PS3, PC.

9/10

**GAME
OF THE
MONTH**

You know you must be doing something right when you get up to the fifth instalment in a series – especially when the fourth was called Oblivion; where are you supposed to go from there, after all?

Continuing with the series's ever expanding ambitions, this is an open world action role-player that lets you roam at will over a huge terrain, exploring villages, towns, dungeons and some pretty dramatic scenery, all the while getting the wherewithal together to be able to battle and defeat the dragons, who as well as generally making things shit for everyone else, are actually threatening to destroy the world (bit of a pyrrhic victory that'd be, surely – but no matter). You can play the game as a human, or if you're feeling a bit flightier you can be an elf or even some sort of lizard, each race having its own strengths, but once you're up and running the game will keep you enthralled for hour upon hour. With help to be found from non-playing characters as you go along, this single-player offers fantastic design, gameplay and some really blistering dragons to try and off!

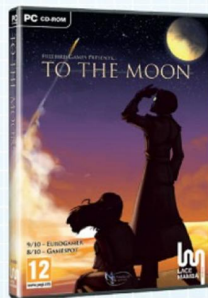

DAMAGE INC. PACIFIC SQUADRON WWII

Mad Catz – X360, PS3, PC.

7/10

Ah, Pearl Harbour – the American's aren't likely to let the Japanese (or the rest of us, come to that) forget about it any time soon, are they? This dogfighting flight sim takes its cue from the infamous 1941 raid, and lets you spend your time paying the Japanese back in kind with all sorts of aerial hi-jinx – attacking other planes and ships as you peg them back to their own shores. And if you fork out for the collector's edition, you get a rather spiffy joystick thrown in as well, just to add to the verisimilitude. Ah, I've been waiting years to get that word into the mag, and now I've done it!

TO THE MOON

Lace Mamba – PC.

7/10

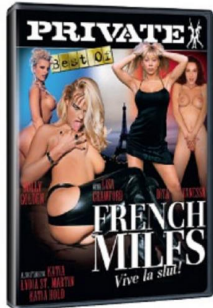

The recent death of Neil Armstrong makes this already poignant release from Lace Mamba all the more touching, revolving as it does about a dying man's dreams of visiting the moon. There's a strong and occasionally quite emotional

narrative that unwinds as you set about creating an artificial memory of a lunar trip for the soon-to-be stiff. It's actually a lot better than it sounds, and while fans of slashers might be a little too wired for it, the rest of you could do a lot worse.

Porn Reviews

What with all the interracial, Frenchie ladies and unintelligible dialogue we've got a veritable league of nations lined up for you this issue. Only with more screwing.

FRENCH MILFS

Private

CAST: Dolly Golden, Lisa Crawford, Dita, Vanessa, Katia, Lydia St. Martin, Katia Hold.

EDITOR'S CHOICE

Ah, what is it they say about French women growing better with age? Oh, hang on, I think that's French cheeses, isn't it?

Either way, if the selection of flampers that feature in this selection of scenes from Private are classified as MILFS, then either I'm getting a bit long in the tooth or else French mesdames like to drop their sprogs early and get back to the pornface!

The first vignette in this collection stars a rather wild-haired girl called Vanessa and the decidedly un-French sounding Dita, but given the way they go at the brace of cocks they've got to play with, it'd be a harsh critic who quibbled about something like that. Both girls look more than game as they slide up and down their respective poles reverse cowboy stylee, and when things turn anal neither one of them bats an eyelid. Proper mucky stuff, this, from a couple of women who know exactly what they're about!

Porno superstar Lisa Crawford's next (again, a rather a-Frenchie sort of name, but she clearly is genuinely Gallic), and while she's a stunning enough sort, what really impressed me was the way she managed to maintain eye contact with the camera for almost every frame of the scene. OK, so occasionally she looks at the knob she's sucking, but basically she's obviously thinking about me all the way through. She's got a lovely clit, too, and isn't too snooty for some backdoor action either.

Sadly a few of the later scenes look like rather ropey transfers from VHS, with the likes of Lydia, Katia and Dolly appearing in scenes of a very definite vintage. There's even a return performance from Dita before we're done, in this solid slice of what Private was once all about – big-haired girls getting done up the jacksie. In French.

Ooh-la-la! **3/5**

INTERRACIAL ENCOUNTERS

Adam & Eve

CAST: Sarah Vandela, Misty Stone, Jade Nicole, Jessica Bangkok Angell Summers.

In the past interracial flicks have often been a bit, well, clichéd, featuring white girls straying into nasty gangland and finding themselves faced with a selection of swollen black prongs for her troubles, but what with this being an Adam and Eve flick, things are a fair bit classier. There's no plot or anything, just a selection of scenes in which people of varying hues get it on... First up are amply-breasted Jessica Bangkok and her *stud du jour* Prince, and without even bothering with anything as tiresome as dialogue they're down to business, snogging each other's face off before he teases out first one, then two magnificent knockers. This soon has the oriental vixen craving some cock, and our hero's more than happy to oblige, banging her neatly-trimmed nadger left, right and centre before finishing the job with an external puff over her V-shaped pubes.

Scene two (which appears to have been shot in the same location) features dishy black babe Misty Stone giving her charms up to a white bloke with a strange hair-do. Still, she doesn't let that put her off as she slurps on his pole and generally does just about everything you could expect a young lady to do if she wants to give her chap a pleasant half an hour or so.

There are three more scenes, two of them featuring impressively built studs Nat Turner and Lexington Steele pronging Angell and Sarah respectively, before we're back with a little white on black action courtesy of Jade Nicole and Marco Banderas. Definitely one for the ladies, this, if your missus likes to fantasize about this sort of thing – or actually do it, of course! **4/5**

DIVINE WHORES

Harmony

CAST: Anissa Kate, Cathy Heaven, Paige Turnah, Karlie Simon, Franki, Karina Currie.

Divine? That may be pushing things a bit far, but there's no getting away from the fact that the girls in this flick are decidedly holey (see what I did there?) – happily admitting rather fat protuberances into just about every orifice at their disposal.

Blonde barmaid Cathy Heaven gets the balls slapping, first teasing a couple of fedora wearing hoods who wander into her joint by shaking her arse at them, then, once she's got the lads good and interested, letting them have their wicked way with her. She's a good sort, and keeps up with them as they shove their pricks here, there and everywhere, and while there's no DP her accommodating bumhole gets quite the going over before they're done.

Fans of recent Harmony flicks will have seen plenty of Anissa Kate in recent months, but she's always a welcome returnee in my book, and after watching her soap up those boobs of hers in the bath, I was raring to go long before her cocksman arrived to savour and then poke her snatch and arse for all he was worth. One-on-one scenes don't get much better than this one, and it probably justifies the cost of the DVD on its own. Not that there isn't more to come, of course, including a rather kinky two-girler for Karlie Simon and Karina Currie that features lots of pervy paraphernalia and a couple of bunk ups for Ian Tate, courtesy of Paige Turnah and Franki. Top notch stuff from Harmony, once again, showing us just how it should be done. **5/5**

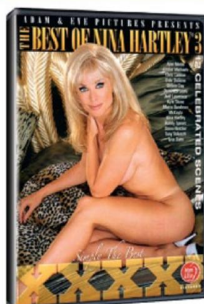

SEX GAMES

Viv Thomas

CAST: Colette, Carmen Croft, Shay Hendrix, Gina, Blue Angel.

This flick from VLT revolves around the idea of what sort of things couples get up to to 'spice up' their sex life. Well, starring in a porno seems like a good place to start! Anyway, with that in mind we open up with the rather cute Colette and her 'boyfriend' Dexter chatting away merrily to each other in Hungarian while playing about with a video camera. Ah, they're going to film themselves! Seems a bit unnecessary when they've already got a full crew in the room, but once the intro's out of the way it settles into a strong scene, with nice close-ups and some suitably mucky boning. Carmen likes to act like a stripper to get her old man's old man up and running, while Shay and her fella like to swap wearing a blindfold while they get down to it. Having sex in the morning seems a bit flimsy to me, but it's still a nice scene, and the oily massage to end is a corker! **Available at your local sex shop 4/5**

THE BEST OF NINA HARTLEY 3

Adam & Eve

CAST: Nina Hartley, Amber Michaels, Dominica Leoni, Mckayla.

If there's one person who's earned the status of 'legend' in the porno industry, it's *Men Only's* very own Editor Matt Berry (*Nice try, but I said no pay rise – Ed.*), but running him a very close second is the one and only Nina Hartley, who's been doing mucky things on screen ever since most of us were on short trousers, if not nappies – and she's still at it! Talk about a walking advert for the industry. This round up features a dozen scenes she's shot for Adam & Eve over the years, and be warned, a few of them are clearly analogue sourced. Still, you've got to hand it to Nina – she puts in a cracking performance every time, whether she's got one cock, two cocks or another girl to play with! My personal favourite was the threesome with Nine getting it on with Randy Spears and Chris Cannon, although Marco Banderas's bumming runs it a close second. Leg', man, leg'... **3/5**

Web Rat

A collection of all the weird and wonderful stuff we've found on the web this month. And if you've stumbled upon a great site you'd like us to feature, drop us a line at menonly@paulraymond.com!

WHAT STOPPED US FROM WORKING THIS MONTH...

Why Can No-One See What's Really Going On Except Loonies?

<http://www.thewatcherfiles.com/>

The Watcher knows all. No, really. And on his site he tells you precisely – well, no, scratch that: extremely vaguely – what extraterrestrials (reptilian, “Nibiru”, the Greys, and other off-world miscreants) and The New World Order have joined forces to do to us if we don't somehow stop them by visiting his URL.

He's got all the facts, but he's not going to endanger his sources by telling us who made up the “vital information” on the site, such as his allegation that the late Ted Kennedy was a shape-shifter:

info that we'd be insane not to heed. There's even a warning that the site “contains an excess of free speech” and the Watcher promises to “tear down secret New

World Order Strongholds” which nobody knows about (not even him, so I'd like to know how that's going to work), destroy “Neutralizing Towers”, whatever they are, and, as peculiar as it sounds illegal, “asphyxiate all aliens” – one can only presume by smothering them with a shitload of pillows.

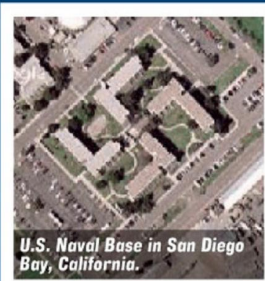

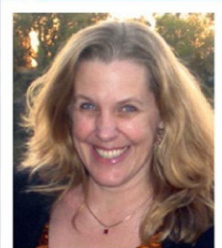

Dematerialising Socks and Teleporting Car Keys <http://realityshifters.com/>

An incredibly comprehensive site on which ordinary people from all over the world allegedly post their own often terrifying paranormal experiences involving other people and everyday objects.

Have we noticed, for example, that pregnant

women give off a supernatural glow (their aura) – even when they haven't eaten *Ready Brek*?

Some of the examples of the object-related phenomena really do give one pause for thought, such as odd socks disappearing in the wash, car keys which “for unknown reasons” are not where you remember putting them and wallets vanishing from your pockets in dense crowds. Spooky, huh?

U.S. Naval Base in San Diego Bay, California.

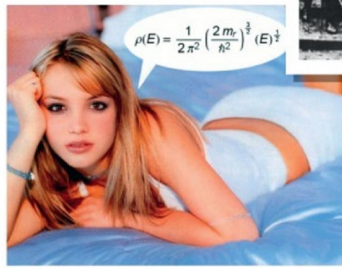

BRITNEY REVEALS THE LOT

Britney Spears' Guide to Semiconductor Physics <http://britneyspears.ac/lasers.htm>

According to this delightful website, which manages to be both big and clever, “It is a little known fact, that Ms Britney Spears is an expert in semiconductor physics. Not content with just singing and acting, in the following pages, she will guide you in the fundamentals of the vital semiconductor laser components that have made it possible to hear her super music in a digital format.”

The once-sexy singer's guide is comprehensive and spectacularly well illustrated, with gorgeous pictures of a young Ms Spears cavorting among semiconductors as she explains the physics underlying their use, while showing just enough thigh, arse and navel to keep us focussed.

Among the topics comprehensively and accurately explained by the former media darling turned pitiable disaster area are The Basics of Semiconductors, Semiconductor Crystal

Structures, the concept of the Finite Barrier Quantum Well, Radiative Recombination, Carrier Transport in Semiconductors, Vertical Cavity Surface Emitting Lasers and the ins and outs of Photolithography.

Britney even supplies wallpapers for her fans, showing her with actual working semi-conductors and other scientists pre-eminent in her field. Chief among the latter is an actual photoshopped snap taken at the 5th Solvay conference, Brussels, 1927. The need to understand the workings of quantum mechanics brought together some of the greatest physicists of the time, and Britney can be seen mixing with the founding fathers of quantum physics, most notably Max Planck, Albert Einstein, Erwin Schrodinger, Werner Heisenberg, Wolfgang Pauli, and Louis de Broglie. Quite.

Britney also provides a “lip-glossary” of technical terms for the layman.

ANCIENT BLOKES THE HEIGHT OF HOUSES WANT TO EAT US

Genesis 6 GIANTS

<http://www.stevequayle.com/index.php?s=30>

Steve Quayle, the webmaster of this extraordinary site, is an academic who has most likely taken a blow to the head at some point, because most of his marbles appear to have rolled into a very dark corner.

Steve believes giants are not only real but evil and plan to “come back” from “olden times” to torture, kill and gobble us up. Seemingly, if one retranslates *The Book Of Enoch*, as he has done, it rattles on about evil giants as tall as trees who will one day come after us. And we won't

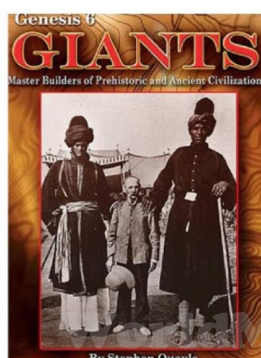

stand a chance against their cleverness, because their skull capacity “must be so huge” they will “make Einstein [see above] look like a retard”.

Now, I know one can often intuit when someone belongs in a straitjacket, but let's hear him out.

Says Steve: “I have invested over 30 years researching the history of giants... which has been kept from the public. Proof of giants' existence has been quickly secreted in obscure museums, or destroyed. But history is replete with tales of their unimaginable cruelty, sexual perversity, and cannibalism! Could they ever return? YES, they most definitely could! And they have something much worse in mind for Mankind!”

He goes on to scare us with “actual examples”, insisting the iron bedstead in which “King Og, spoken of in Deuteronomy 3:11” kipped at night was 14ft by 6ft. Therefore, he deduces, “King Og was plainly 12ft long, possibly 18ft”, and may have slept with his feet hanging off the end.

He concludes: “Don't just take my word for all this — especially after the propaganda you have been fed from the media and the ‘facts’ found in science and history textbooks. Instead, simply” [buy and] “read this [insane] book [I've written about bad Giants] “with an open mind.”

We like girls with a bit of attitude here at *Men Only*, so we were blown away when Natalie here strode into the studio and brazenly started telling us how much she was going to turn us on! To be honest with a ballsy approach like that, we were already feeling pretty horny even before she started to peel off her bikini and give us a look at that lovely pink pussy of hers. In the end she had us all eating out of her hand as she prowled around, teasing and titillating while we struggled to keep it all together. And if you don't believe us, well there's a vid online that'll prove it to you!

Anita

WorldMags.net

Sadly Anita only dabbles with modelling these days, having signed up to a college course in order to become a paralegal. So does that mean she'll be qualified to take part in the Paralympics, then? If so, Channel 4 will find their already swollen viewing figures shooting through the roof!

"Don't be silly!" she giggled as she lay back and spread her shapely legs wide for us, "it just means I'll be helping a solicitor in his practice, without being fully qualified myself."

Well from where we're standing, you're more than fully qualified to assist us with whatever we might want to do already! We can only envy the lucky solicitor you end up working for – and pity his wife!

COMING NEXT MONTH

After nearly 78 years of publishing prime slices of lady loveliness, you'd think we'd have run out by now, wouldn't you? But a quick glimpse at the girls we've got lined up for you next issue suggests that couldn't be further from the truth! UK hottie Tommie Jo makes a very welcome return following her MO debut a few issues back, while we're also delighted to be unveiling the fulsome charms of Emily – and we reckon you're bound to be impressed. There's plenty more, of course, but you'll just have to wait to see what else we've got in store – it's only four weeks to go, after all!
